

Acoustic RoadTrip

Blending the distinct harmonies of her trademark green electric violin with the amplified rhythms of Dave Berger's acoustic guitar, Jennifer Lowe transforms some of rock's greatest hits into "unplugged" instrumental creations that bring a fresh and imaginative twist to acoustic cocktail music. Putting her artistic touch to classics like "Stairway to Heaven," "Freebird," and "Hotel California" and channeling the work of artists that range from Pink Floyd and The Who to Elton John and Sheryl Crow, Jennifer Lowe's Acoustic Roadtrip is a ride down memory lane that promises pleasant surprises around every turn.
