

## **: Party Faithful**

Live music is the heartbeat of any party - it sets the rhythm of the evening and the flow of conversation, creates memories out of great songs, and jump starts the celebration with ecstatic dancing. Well-known in Chicago and beyond for its infectious grooves and distinctive performances, the Party Faithful is a 10-to 12-piece ensemble built to exceed even these high expectations. Since its inception in 2006, the band has garnered rave reviews for its fresh and energetic style, world-class musicianship, impressive versatility, and high quality customer service.

Playing all types of events, the Party Faithful features three versatile and dynamic vocalists and is propelled by two sizzling horns, an unstoppable rhythm section made up of guitar, keys, bass, and drums, and a distinctive electric violin. In addition to the traditional add-ons for a band of this class (horns/vocalists), this band is ahead of the curve in offering a DJ as an additional instrument, bringing electronic beats and percussion, samples, and authentic scratching to current and classic songs, alike. Together, this all-star ensemble rides a tidal wave of rock and rhythm, creates a dazzling stage show in the process, and entices each audience with a musical energy unique to Great Life Music productions.

Customization is a cornerstone of every Party Faithful performance, and bandleaders Colby Beserra and Brian Schwab, work closely with each client to create a unique song list and performance concept that results in a one-of-a-kind show that keeps the dance floor full. The Party Faithful has performed in major cities across the country and is quickly gaining a national reputation as a top Chicago band in a city known around the world as home to some of the best musicians and live music, anywhere. Plan your one-of-a-kind event with the Party Faithful.
